INDEPENDENT AUDITOR'S REVIEW REPORT ON THE QUARTERLY UNAUDITED FINANCIAL RESULTS OF THE COMPANY

**TO,
THE BOARD OF DIRECTORS OF
JUMBO FINANCE LIMITED.**

1. We have reviewed the accompanying Statement of Unaudited Financial Results of **JUMBO FINANCE LIMITED** ("the Company"), for the three months ended June 30, 2020 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Discloser Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" (IndAs34), Prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

4. Based on information provided to us by the management, Jumbo Finance Limited has not provided interest expenses amounting to Rs. 51.70 lakhs during the quarter ended 30th June, 2020 on loans taken from certain companies including a company covered under register maintained under section 189 of the Companies Act, 2013. This information indicates that if these interest expenses were provided at June 30, 2020, liabilities would be increased by Rs. 51.70 lakhs and net loss for the period would be increased by Rs 51.70 lakhs and earnings per share would be decreased by Rs. 1.06 for the three-months period then ended.

Qualified Conclusion

5. Based on our review conducted as above and with the exception of the matter described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the applicable Indian Accounting Standards (Ind-AS) prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued there under and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. As more fully described in Note 9 of the quarterly results, the Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of investments, receivables and other current assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial results has used internal and external sources on the expected future performance of the Company. Based on current indicators of future economic conditions, the Company expects the carrying amount of these assets will be recovered and sufficient liquidity is available to fund the business operations for at least another 12 months. Given the uncertainty because of COVID-19, the final impact on the Company's assets in future may differ from that estimated as at the date of approval of the financial accounts. However, the results have been prepared on going concern basis. Due to COVID -19 Pandemic, significant uncertainties lying over resumption of tourism and hospitality industries, we are unable to comment on the exact impact of pandemic on the Company.

Our conclusion on the statement is not modified in respect of this matter.
